Re: Station KSNV-DT, Las Vegas, Nevada
Facility ID No. 69677
File No. EB-10-IH-4470

Dear Licensee:

The Enforcement Bureau is investigating potential violations of Section 73.1216 of the Commission's rules¹ by Southern Nevada Communications (the "Licensee"), licensee of Station KSNV-DT, Las Vegas, Nevada (the "Station"). Specifically, we are investigating allegations in the enclosed redacted Complaint² that the Station conducted and promoted a "Secret Word Contest" ("Contest") that denied the Complainant of a rightful prize in violation of the licensee-conducted contest rule.

The Instructions for responding to this letter and the Definitions for certain terms used in this letter are contained in the attachment hereto. We direct the Licensee, pursuant to Sections 4(i), 4(j), 308(b) and 403 of the Communications Act of 1934, as amended,³ to provide the information and Documents specified below within thirty (30) calendar days from the date of this letter. Requests for confidential treatment or claims of attorney-client privilege or attorney work product must meet the requirements stated in the attached Instructions.

Unless otherwise indicated, the period of time covered by these inquiries is October 1, 2010, to the present.

Documents and Information to be Provided

1. Did the Licensee promote, conduct, and/or broadcast announcements and/or material concerning the Contest over the Station beginning on or about October 1, 2010, or at any other time? If the response to this Inquiry is "no," do not respond to any of the remaining questions.

¹ See 47 C.F.R. § 73.1216 (the licensee-conducted contest rule).

² The Complainant has provided the Bureau with permission to disclose his name, but not his contact information.

³ See 47 U.S.C. §§ 154(i), 154(j), 308(b), 403.

2. If the response to Inquiry 1 is "Yes," provide transcripts of and, if available, recordings of all broadcasts and all other materials made available to listeners that described the material terms of the Contest, including the prize and its value, and list all the dates and times when the Station broadcast those terms. Provide any such recording on compact disc (CD-R) and a written transcript of each recording.
3. To the extent not provided in response to the previous Inquiries, provide all information describing the material terms of the Contest and state whether such information was made available to listeners and how that was accomplished.
4. Identify the winner(s) of the Contest, including any winner selected on or about November 1, 2010. Provide the date(s) on which each winner won the Contest.
5. With regard to the person(s) identified in response to Inquiry 4, above, did the Licensee award the announced prize to the person? If so, describe the prize awarded, and identify by whom and when the prize was awarded. If not, explain fully why not.
6. State whether the Complainant was a winner in the Contest. If so, provide the date(s) on which the Complainant won the Contest.
7. If the Complainant was a winner in the Contest, did the Licensee award the announced prize to the Complainant? If so, describe the prize awarded, and identify by whom and when the prize was awarded. If not, explain fully why not.
8. Were any disclaimers concerning the Contest aired over the Station? If so, fully describe each such disclaimer, identify who made the decision to broadcast it, state why it was broadcast, and provide the date and time of each broadcast.
9. Explain whether the Licensee conducted the Contest as announced or advertised. If not, identify any differences between how the Contest was announced or advertised and explain how the Contest was actually conducted.
10. Identify every broadcast station licensed to the Licensee that promoted or broadcast announcements or material concerning the Contest. For each such station provide responses to Inquiries 1-9, above.
11. Identify any factual errors in the Complaint. For each such error identified, describe specifically and in detail why the allegation is factually incorrect.
12. Provide copies of all Documents that provide the basis for or otherwise support your responses to Inquiries 1 – 11, above.
13. Provide any additional information you believe may be useful in helping in our consideration and resolution of this matter.

Filing Requirements

We direct the Licensee to support its responses with an affidavit or declaration under penalty of perjury, signed and dated by an authorized officer of the Licensee with personal knowledge of the

representations provided in the Licensee's response, verifying the truth and accuracy of the information therein and that all of the information requested by this letter that are in the Licensee's possession, custody, control or knowledge have been produced. If multiple Licensee employees contribute to the response, in addition to such general affidavit or declaration of the authorized officer of the company noted above, if such officer (or any other affiant or declarant) is relying on the personal knowledge of any other individual, rather than his or her own knowledge, provide separate affidavits or declarations of each such individual with personal knowledge that identify clearly to which responses the affiant or declarant with such personal knowledge is attesting. All such declarations provided must comply with Section 1.16 of the Commission's rules,⁴ and be substantially in the form set forth therein.

To knowingly and willfully make any false statement or conceal any material fact in reply to this inquiry is punishable by fine or imprisonment.⁵ Failure to respond appropriately to this letter of inquiry may constitute a violation of the Communications Act and our rules.

The Licensee shall direct its response, if sent by messenger or hand delivery, to Marlene H. Dortch, Secretary, Federal Communications Commission, 445 12th Street, S.W., Room TW-A325, Washington, D.C. 20554, to the attention of Amelia L. Brown, Attorney Advisor, Investigations and Hearings Division, Enforcement Bureau, Room 4-C330, with a copy to Kenneth M. Scheibel, Jr., Assistant Chief, Investigations and Hearings Division, Enforcement Bureau, Room 4-C330, Federal Communications Commission. If sent by commercial overnight mail (other than U.S. Postal Service Express Mail and Priority Mail), the response should be sent to the Federal Communications Commission, 9300 East Hampton Drive, Capitol Heights, Maryland 20743. If sent by first-class, Express, or Priority mail, the response should be sent to Amelia L. If the Licensee requests that any information or Documents responsive to this letter be treated in a confidential manner, it shall submit, along with all responsive information and Documents, a statement in accordance with Section 0.459 of the Commission's rules. 47 C.F.R. § 0.459. Requests for confidential treatment must comply with the requirements of Section 0.459, including the standards of specificity mandated by Section 0.459(b). Accordingly, "blanket" requests for confidentiality of a large set of Documents, and casual requests, including simply stamping pages "confidential," are unacceptable. Pursuant to Section 0.459(e), the Bureau will not consider requests that do not comply with the requirements of Section 0.459.

Claims of Privilege. If the Licensee withholds any information or Documents under claim of privilege, it shall submit, together with any claim of privilege, a schedule of the items withheld that states, individually as to each such item: the numbered inquiry to which each item responds and the type, title, specific subject matter and date of the item; the names, addresses, positions, and organizations of all authors and recipients of the item; and the specific ground(s) for claiming that the item is privileged.

Format of Responses. The response must be organized in the same manner as the questions asked, i.e., the response to Inquiry 1 should be labeled as responsive to Inquiry 1.

Method of Producing Documents. Each requested Document, as defined herein, shall be submitted in its entirety, even if only a portion of that Document is responsive to an inquiry made herein. This means that the Document shall not be edited, cut, or expunged, and shall include all appendices, tables, or other attachments, and all other Documents referred to in the Document or attachments. All written materials necessary to understand any Document responsive to these inquiries must also be submitted.

Identification of Documents. For each Document or statement submitted in response to the inquiries stated in the cover letter, indicate, by number, to which inquiry it is responsive and identify the person(s) from whose files the Document was retrieved. If any Document is not dated, state the date on which it was prepared. If any Document does not identify its author(s) or recipient(s), state, if known, the name(s) of the author(s) or recipient(s). The Licensee must identify with reasonable specificity all Documents provided in response to these inquiries.

Documents No Longer Available. If a Document responsive to any inquiry made herein existed but is no longer available, or if the Licensee is unable for any reason to produce a Document responsive to any inquiry, identify each such Document by author, recipient, date, title, and specific subject matter, and explain fully why the Document is no longer available or why the Licensee is otherwise unable to produce it.

Retention of Original Documents. With respect only to Documents responsive to the specific inquiries made herein and any other Documents relevant to those inquiries, the Licensee is directed to retain the originals of those Documents for twelve (12) months from the date of this letter unless: (a) the Licensee is directed or informed by the Enforcement Bureau in writing to retain such Documents for some shorter or longer period of time; or (b) the Enforcement Bureau or the Commission releases an item on the subject of this investigation, including, but not limited to, a Notice of Apparent Liability for Forfeiture or an order disposing of the issues in the investigation, in which case, the Licensee must retain

all such Documents until the matter has been finally concluded by payment of any monetary penalty, satisfaction of all conditions, expiration of all possible appeals, conclusion of any collection action brought by the United States Department of Justice or execution and implementation of a final settlement with the Commission or the Enforcement Bureau.

Continuing Nature of Inquiries. The specific inquiries made herein are continuing in nature. The Licensee is required to produce in the future any and all Documents and information that are responsive to the inquiries made herein but not initially produced at the time, date and place specified herein. In this regard, the Licensee must supplement its responses: (a) if the Licensee learns that, in some material respect, the Documents and information initially disclosed were incomplete or incorrect; or (b) if additional responsive Documents or information are acquired by or become known to the Licensee after the initial production. The requirement to update the record will continue for twelve (12) months from the date of this letter unless: (a) the Licensee is directed or informed by the Enforcement Bureau in writing that the Licensee's obligation to update the record will continue for some shorter or longer period of time; or (b) the Enforcement Bureau or the Commission releases an item on the subject of this investigation, including, but not limited to, a Notice of Apparent Liability for Forfeiture or an order disposing of the issues in the investigation, in which case the obligation to update the record will continue until the release of such item.
